The Head of Department,  
Department of Mathematics,  
Obafemi Awolowo University,  
Ile-Ife, Nigeria

Dear sir,

**REQUEST TO COMPLETE MY PROJECT WORK IN 2018/2019 SESSION**

I, Folarin Wasiu Junior (MTH/2014/014) of the Department of Mathematics, Part 4, hereby seek your approval, sir, to continue with my BSc Project work in Rain Semester 2018/2019 Session.

This is due to the fact that I'll be taking several other courses this semester (Rain 2017/2018) and would need all the time to focus on my current work load, also, owing to the fact that I'll be taking some outstanding courses next session(2018/2019).

Having discussed this with my project supervisor, Dr. B.S. Ogundare, and received his approval that my project research work will continue, but will only be defended next session(2018/2019), I hereby seek your approval sir, that MTH 499 currently registered for the semester, would not be accounted to me until next session (2018/2019).

Thank you sir.

.....

Yours faithfully,  
Folarin Wasiu Junior  
MTH/2014/014
